AGREEMENT

Agreement for the period of August 1, 2018 through July 31, 2023

This agreement has been entered into between UNITED PARCEL SERVICE, INC., or its successors, hereinafter referred to as the Employer, and the below listed Local Unions of the INTERNATIONAL BROTHERHOOD OF TEAMSTERS, CHAUFFEURS, WAREHOUSEMEN AND HELPERS OF AMERICA, hereinafter collectively referred to as the Unions

70, 87, 137, 150, 287, 315, 386, 431, 439, 533, 665, 856, 890,
912, 948, 2785.

The Union consists of any Local Union which may become a party to this Agreement and any Addenda as hereinafter set forth. Such Local Unions are hereinafter designated as “Local Union”.

ARTICLE 1 – UNION SECURITY

SECTION 1 – RECOGNITION

The Employer recognizes and acknowledges that the Local Unions, jointly and collectively, are the exclusive representatives of all employees in the classifications set forth in the Wage Schedule in this Agreement or Addenda thereto and shall constitute a single bargaining unit.

SECTION 2 – UNION MEMBERSHIP

(a) All present employees who are members of the Local Union on the effective date of this subsection or on the date of execution of this Agreement, whichever is the later, shall remain members of the Local Union in good standing as a condition of employment. All present employees who are not members of the Local Union and all employees who are hired hereafter shall become and remain members in good standing of the Local Union as a condition of employment on and after the thirty-first (31st) day following the effective date of this

subsection or the date of this Agreement whichever is the later. An employee who has failed to acquire or thereafter maintain, membership in the Union as herein provided, shall be terminated seventy-two (72) hours after his Employer has received written notice from an authorized representative of the Local Union, certifying that membership has been, and is continuing to be, offered to such employee on the same basis as all other members and, further, that the employee has had notice and opportunity to make all dues or initiation fee payments. This provision shall be made and become effective as of such time as it be made and become effective under the provisions of the National Labor Relations Act but not retroactively.

(b) When the Employer needs additional employees, the Employer shall give the Local Union equal opportunity with all other sources to provide suitable applicants, but the Employer shall not be required to hire those referred by the Local Union. Business agents and/or the Steward shall be permitted to attend new employee orientations. The Company, on a monthly basis, will send any change of classification from part time to full time, new hires, transfers, and terminated employees to the affected local union.

(c) No provision of this Article shall apply in any state to the extent that it may be prohibited by State law. If under applicable State law additional requirements must be met before any such provisions may become effective, such additional requirements shall be first met. If any agency shop clause is permissible in any state where the provisions of this Article relating to the Union Shop cannot apply, the following Agency Clause shall prevail:

(1) Membership in the Local Union is not compulsory. Employees have the right to join, not join, maintain, or drop their membership in the Local Union, as they see fit. Neither party shall exert any pressure on, nor discriminate against, an employee as regards such matters.

(2) Membership in the Local Union is separate, apart and distinct from the assumption by one of his equal obligation to the extent that he receives equal benefits. The Local Union is required under this Agreement to represent all of the employees in the bargaining unit fairly and equally without regard to whether or not an employ-

ee is a member of the Local Union. The terms of this Agreement have been made for all employees in the bargaining unit and not only for members in the Local Union, and this Agreement has been executed by the Employer after it has satisfied itself that the Local Union is the choice of a majority of the employees in the bargaining unit. Accordingly, it is fair that each employee in the bargaining unit pay his own way and assumes his fair share of the obligation along with the grant of equal benefits contained in this Agreement.

(3) In accordance with the policy set forth under subparagraphs (1) and (2) of this Section, all employees shall, as a condition of continued employment, pay to the Local Union the employee's exclusive collective bargaining representative, an amount of money equal to that paid by other employees in the bargaining unit who are members of the Local Union, which shall be limited to an amount of money equal to the Local Union's regular and usual dues. For the present employees, such payments shall commence thirty-one (31) days following the effective date or on the date of execution of this Agreement, whichever is the later, and for new employees, the payment shall start thirty-one (31) days following the date of employment.

(d) If any provision of this Article is invalid under the law of any state wherein this Agreement is executed, such provision shall be modified to comply with the requirements of state law or shall be renegotiated for the purpose of adequate replacement. If such negotiations shall not result in mutual satisfactory agreement, either party shall be permitted all legal or economic recourse.

(e) In those instances where Subsection (b) hereof may not be validly applied, the Employer agrees to recommend to all employees that they become members of the Local Union and maintain such memberships during the life of this Agreement, to refer new employees to the Local Union representative, and to recommend to delinquent members that they pay their dues since they are receiving the benefits of this Agreement.

(f) To the extent such amendments may become permissible under applicable federal and state law during the life of this Agreement, as a result of legislative, administrative, or judicial determination,

all of the provisions of this Article shall be automatically amended to embody the greater Union Security provisions.

SECTION 3 – DUES CHECKOFF

The Employer agrees to deduct from the pay of all employees covered by this Agreement the dues, initiation fees and/or uniform assessments of the Local Union having jurisdiction over such employees and agrees to remit to said Local Union all such deductions prior to the end of the month for which the deduction is made. Where laws require written authorization by the employee, the same is to be furnished in the form required. The Local Union shall certify to the Employer in writing each month a list of its members working for the Employer who have furnished to the Employer the required authorization, together with an itemized statement of dues, initiation fees (full or installments) or uniform assessments owed and to be deducted for such month from the pay of such member, and the Employer shall deduct such amount from the first (1st) paycheck following receipt of statement of certification of the member and remit to the Local Union in one lump sum. The Employer shall add to the list submitted by the Local Union, the names of all regular new employees hired since the last list was submitted and delete the names of employees who are no longer employed.

Where an employee who is on check off is not on the payroll during the week in which time the deduction is to be made, or has no earnings or insufficient earnings during that week, or is on leave of absence, the employee must make arrangements with the Local Union to pay such dues in advance.

The Employer will recognize authorization for deductions from wages, if in compliance with state law, to be transmitted to the Local Union.

No such authorization shall be recognized if in violation of federal or state law. No deduction shall be made which is prohibited by applicable law. In the event that an Employer has been determined to be in violation of this Article by the decision of an appropriate grievance committee and if such Employer subsequently is in violation thereof after receipt of seventy-two (72) hour's written notice

of specific delinquencies, the Local Union may strike to enforce this Article. However, such strike shall be terminated upon the delivery thereof. Errors or inadvertent omissions relating to the individual employees shall not constitute a violation.

Check off shall be on a weekly, monthly or quarterly basis at the option of the Union.

Check off shall be optional with each Local Union.

ARTICLE 2 – HIRING PROCEDURES

SECTION 1 – LICENSE REQUIREMENTS

No employee or applicant for employment shall be required to possess a driver's license unless such license be required by law for the type of work actually performed by the employee, which shall be specified by the Employer to the Hiring Hall and/or Local Union. In any such case, a classification of driver's license higher than that imposed by law shall not be required.

SECTION 2 – EXCLUSIVE HIRING

(a) Hiring Hall: Whenever the Employer requires workers, the Employer shall notify the Local Hiring Hall, either in writing or by telephone, stating the location, starting time, and approximate duration of the job, the type of work to be performed, and the number of workers required.

(b) No Hiring Hall: In a Local Union territory in which no Hiring Hall is maintained, the following procedure shall apply:

(1) When new or additional employees are needed, the Employer shall furnish to the Union an H.R.I.S. listing to include locations of UPS jobs, rate of pay, classification, shift, (this is subject to the capabilities of the H.R.I.S. System) and notify the Local Union in that area of the number and classification of employees needed and the Local Union shall have reasonable opportunity to refer applicants for vacancies to be filled. In the event that the Local Union has no applicants to refer or applicants referred by the Local Union

are not hired, the Employer agrees, within twenty four (24) hours of the date of hiring, to notify the Local Union of the name or names of the persons hired, their addresses, social security numbers and shift. Stewards shall have the right to check all new employees for referral slips.

(2) In hiring to fill vacancies for positions, the Employer will give preference to applicants for employment who have had previous experience in the Local Union area and in the work covered by the classifications to be filled.

(c) The Employer shall notify the Union on a monthly basis of all terminated employees.

SECTION 3 – HIRING STANDARDS

Upon such receipt of notice, the Local Hiring Hall shall endeavor to furnish the applicants requested. Selection of applicants for referral to jobs shall be on a nondiscriminatory basis and shall not be based on, or in any way affected by, Union membership, bylaws, rules, regulations, constitutional provisions, or any other aspect of Union membership, policies, or requirements. Such selection will be made on the following basis:

(a) The Local Hiring Hall shall maintain a list of all persons seeking jobs who have been employed on the type of work and in the geographical area covered by the Local Hiring Hall and by this Agreement for a period of at least one (1) year, which list shall hereinafter be called "List A." The Local Hiring Hall shall maintain a separate list of all persons seeking jobs who do not meet that requirement, which list shall hereinafter be called "List B."

(b) Such persons' names shall be entered on said list in the order in which they notify the Local Hiring Hall of their availability for jobs.

(c) After each person's name shall be entered a designation corresponding to the type or types of work which the person is qualified to perform. Each person at the time of applying for a job shall indicate their own qualifications and such indications shall be conclusive unless the Employer, to whom such person is dispatched, re-

ports to the Local Hiring Hall that in the Employer's opinion the person is not qualified. In such event such person shall be required to take an objective examination given by the Hiring Hall Committee, and if such person fails such examination, said person shall not be entitled to preference on the type of work involved until said person passes such examination at a regular time set therefore.

(d) In dispatching, preference shall be given to persons on List A. Within each list, preference shall be given to those whose designations correspond to the type of work involved, in the order in which their names appear on the list. If there are not sufficient people on "List A" whose designations correspond to the type of work involved, preference shall be given to other persons on said list in the order in which their names appear, and the same procedure shall be followed with List B, should the names on "List A" be exhausted. The dispatcher need not dispatch a person next in order if such person is, because of obvious physical incapability, unable to perform the work involved.

(e) The Employer may call for a person by name only:

- (1) If the person is registered on List A in the Hiring Hall in the area in which such person is to be employed; and
- (2) If the person has previously been employed by the Employer; and
- (3) If the person is available for work.

SECTION 4 – REFERRAL

For each person dispatched, the Local Hiring Hall shall send to the Employer, with the person or by mail, a written referral slip. The Employer shall have the right to reject any job applicant referred by the Local Hiring Hall, provided that the Employer shall in no way discriminate against persons because of Union membership or activities.

SECTION 5 – NOTIFICATION

(a) Casual Employees: For casual employees who work on a day to day basis, the Local Hiring Hall shall immediately supply such help

to the Employer upon notice by the Employer that such casual employees are needed. In the event such casual help is not immediately available or the Local Hiring Hall is closed, the Employer may then hire such casual workers from any other available source.

The Employer shall hire all casual or extra help in accordance with the terms of the hiring procedure outlined in the Local Union territorial jurisdiction where the work is performed. However, where there is heavy demand for casual or extra helpers in areas where loading and unloading is done, such casual or extra helpers may be permanently assigned to such areas.

(b) Regular Employees: If the Local Hiring Hall is unable to furnish qualified regular employees within forty-eight (48) hours after the Employer calls for them, the Employer shall be able to procure such employees from any other source. In such event, the Employer shall, within twenty four (24) hours of the time of hiring, notify in writing the Local Union maintaining the Hiring Hall in that area of the name, address, social security number and place of last employment of any employee so hired.

SECTION 6 – HIRING HALL COMMITTEE

There shall be established a Hiring Hall Committee, composed of three (3) Union representatives and three (3) Employer representatives, which shall have the power to make and promulgate rules and regulations for the operation of Hiring Halls which are not inconsistent with the terms of this Agreement including rules or procedures for its own operation.

SECTION 7 – APPEAL AND ARBITRATION

Any disputes between the Union and the Employer with regard to the operation of the Hiring Hall shall be referred to the Hiring Hall Committee for settlement, and if the Committee is unable to agree, they may be referred by either party to an impartial umpire. Any person, who believes they have not been referred in accordance with the provisions of this Agreement or with the rules and regulations of the Hiring Hall Committee, may appeal to that Committee and the Committee may, by majority vote, reverse any decision of

the Local Hiring Hall with respect to referral. If a person appeals to the Committee and the Committee does not reverse the decision of the Local Hiring Hall, or if a person, who has been disqualified from preference by failing an examination, believes that the examination was administered unfairly, or in a discriminatory manner, such person may appeal to an impartial umpire selected jointly by the Committee and said person. If the Committee and the individual are unable to agree on the identity of an impartial umpire, an umpire shall be selected by the Mediation and Conciliation Service of the State of California from among those persons who have had special experience in labor arbitrations. The cost of such umpire, and of the hearings, shall be borne by the Union and/or the individual, in the discretion of the umpire. The umpire's decision shall be final and binding upon all parties.

SECTION 8 – POSTING

The foregoing provisions, together with any rules or regulations promulgated by the Hiring Hall Committee, shall be posted by the Employer and by the Union in all places where notices to employees and applicants for employment are customarily posted, including the bulletin board of the Union.

ARTICLE 3 – SENIORITY AND LAYOFFS

SECTION 1 – PROBATIONARY PERIOD/ TRIAL PERIOD

(a) Full-time employees hired from October 1st through December 31st of any year shall not accrue seniority. Any such employee will be responsible for any Hiring Hall fees required by the Local Union involved. A new full-time employee shall attain seniority when he/she has worked thirty (30) days within a one hundred twenty (120) consecutive day period.

A new full-time employee hired into the package car classification may have up to an additional ten (10) working days at the beginning of his/her probationary period, which may result in a total probationary period of up to forty (40) worked days within a one hundred twenty (120) consecutive day period, provided that all such

additional time is spent in classroom training. Prior to attaining seniority, as defined in this Section, the employee, other than those employees attempting to transfer from part-time to full-time positions, shall be considered a probationary employee and may be discharged without such discharge being subject to the grievance procedure. However, the employer shall not discharge or otherwise discipline a probationary employee for purposes of evading the terms of this provision or to discriminate against Union members. Upon completion of the probationary period, the employee shall be given a seniority date as of his/her first day worked within such one hundred twenty (120) day period.

(b) Seniority order for all purposes for employees with the same full time hiring dates shall be determined first by the employee with the highest part-time building seniority date being the highest seniority employee. In the event that the part-time dates are also the same, then seniority will be determined by the drawing of lots. Such drawing shall be made in the presence of a Union representative and an Employer representative.

(c) A part-time employee who has gained full-time seniority shall have his/her accrued vacation cashed out within ten (10) days after gaining full-time seniority.

SECTION 2 – APPLICATION OF SENIORITY

In the reduction of forces due to the slackness of work, the last employee hired shall be the first (1st) employee laid off, and in re-hiring, the last employee laid off shall be the first (1st) employee rehired until the list of former employees is exhausted.

Seniority shall be considered broken by:

(a) Discharge for just cause;

(b) Resignation;

(c) Twenty-four (24) consecutive months of unemployment; thirty-six (36) consecutive months of unemployment for employees with three (3) or more years of service; or

(d) Failure to comply with the seventy-two (72) hour recall notice as set forth in Section 4 of this Article.

Leaves of absence granted by the Employer, and temporary layoffs, shall not interrupt the continuity of seniority.

SECTION 3 – NOTICE OF LAYOFF

All employees are to be given notice posted in a designated location which the Labor Manager and the Union will mutually decide, for the assignments of the work week, start time and impending layoffs not later than the beginning of the last shift worked prior to the commencement of such layoffs. It is the responsibility of the employer to notify by phone, any affected employees that are not working the day of the posting. All phone calls will be verified by a shop steward of the Local Union and a log be maintained. It is the responsibility of the employee to insure his/her contact information is accurate. The Union will be provided a copy of the layoff notices by fax or by email on the same day they are posted. The above notice of layoff shall not apply during any emergency beyond the Employer's control, provided notification is given to the employee at least one (1) hour prior to the start of the employee's shift.

SECTION 4 – REHIRE PROCEDURE

Employees on the first (1st) day of any layoff shall report to the Local Hiring Hall not later than 7:30 a.m. the following morning and shall be dispatched to the Employer if the Employer requires additional help on that day. Failure of such employees to be dispatched to the Employer (if additional help is required) because said employees were not available at the Local Hiring Hall shall relieve the Employer of any liability for pay of those employees who do not work on that day, providing the Employer calls such employees in the order of their seniority.

Where the Local Union does not maintain a Hiring Hall, employees laid off for one (1) day shall report directly to the Employer by phone or in person within one and one half (1 1/2) hours of, but not later than thirty (30) minutes of the time their regular shift would begin for such work that might be available that day. Failure to so

report shall relieve the Employer of any liability for pay for those employees who do not work that day, providing the Employer works such employees who so reported in the order of their seniority.

The Employer shall not lay off any employee under this Article unless the Employer has evidence that no work shall be available for such employees the following workday. Full-time employees laid off in excess of five (5) consecutive working days, may, in the order of their seniority, elect to displace one (1) or two (2) part-time employees for the duration of the layoff, provided the employee has more Company seniority than the part-timer(s) involved. Rates of pay will be based on Company seniority and the classification of the work the employee performs.

If a full-time employee displaces two (2) part-time employees, the driver shall receive overtime after eight (8) hours and shall receive fulltime benefits.

The practice of disallowing utility drivers to perform package car work while package car drivers are laid off will remain the same.

In the event of a lay off in excess of one (1) day, an employee so laid off shall be restored to regular duty according to seniority provided the employee reports to the call of the Employer, which shall be communicated to the employee at their last known address as filed with the Employer, by certified mail and to the Local Union by certified mail, and reports for duty within seventy-two (72) hours, exclusive of Saturdays, Sundays, or holidays, from the time of the dispatch of such call. If the employee fails to respond as set forth above, the Employer shall advise the employee by certified mail, with a copy to the Local Union, that the employee's failure to report for duty has removed said employee from the seniority list, thus terminating employment with United Parcel Service. The giving of said call shall fulfill the obligation of the Employer under the provisions of this Agreement. All unanswered phone calls to laid-off employees shall be verified by a person designated by the Local Union whenever practical.

A committee named by the parties will establish more precise definitions under this Section to describe current practices and application thereof.

SECTION 5 – FILLING HIGHER PAID POSITIONS

In filling higher paid positions under this Agreement, employees working in other classifications under the jurisdiction of this Agreement shall be given reasonable trial up to thirty (30) days on the basis of seniority to demonstrate their ability in which to qualify for such positions. All testing and qualifying to be done on an equally scheduled and reasonable basis on company time, except for road tests taken at the employee's regular assigned location by part-time employee's applying for fulltime positions. Employees qualifying for package car positions shall receive a weekly accounting of their performance. This accounting shall be in written form in the presence of a Shop Steward.

(a) **Integrated Seniority:** In the event of the sale, transfer, or merger of companies, one (1) or both of which are parties to this Agreement, the employees of the company or companies party to this Agreement will establish seniority in the new operation by integration based upon the original date of hire recognized by the last employer. Such integration is to apply where the company operations or terminals involved in the sale, transfer, or merger are entirely within the territorial jurisdiction of one (1) Local Union covered by this Agreement.

SECTION 6 – CLOSED OR PARTIALLY CLOSED CENTERS OR HUBS

Whenever a center or hub is closed or partially closed, the employees affected will be entitled to follow the work and their seniority will be dovetailed in the new location. In the event the employees affected elect not to follow the work, it shall be offered to the other employees at the center or hub in seniority order. In the event no employee elected to follow the work and it becomes necessary to reduce the working force, the provisions of Article 3, Section 2 Application of Seniority, shall apply. In the event of closing or partially closing any hub or operating center, the Employer shall notify the Union of its intent and post the amount and type of positions affected and the date of such contemplated action at least thirty (30) days in advance.

(a) **Transfers:** In cases of proven need it is agreed by the Employer and the Local Union involved, that an employee shall be permitted to transfer from one (1) company facility to another, provided

said employee has a Transfer Request Form on file stating his/her desired facility into which they wish to transfer. Any such transfer shall take place only within the area covered by the Northern California Supplemental Agreement and only prior to hiring from the outside. Any such transfers shall be limited to two (2) full-time per year per destination facility. Such employees shall retain company seniority for the purpose of fringe benefits but shall be placed at the bottom of the appropriate seniority list. It is the employee's responsibility to verify all benefits at the requested transfer location. Benefits may vary by state and location. The medical, dental, vision, retiree medical coverage and pension rates may be less or non-existent in the location you desire. Contact the Local Union having jurisdiction over the area you wish to transfer to for all information pertaining to the area benefits.

SECTION 7 – JOB SENIORITY IN REASSIGNMENT

Once an employee has established seniority in a classification and is reassigned to a lower paid classification, such employee shall continue to be compensated at the higher wage scale if job seniority is not observed in the reassignment. However, when employees at their own request are placed in a lower paid classification, they shall be paid at the rate of pay of the lower classification.

SECTION 8 – SENIORITY LIST

The Employer shall post and maintain a current seniority list at all times in a conspicuous place at each operating center. Said list shall be considered to be correct as posted unless a protest is registered with the Employer and the Union within thirty (30) days from date of posting. At the time of posting, a copy will be faxed, mailed or emailed to the Local Union. These lists will include a master full-time, feeder, package, and 22.3 list. The Company will provide a copy of these lists every six (6) months.

SECTION 9 – LOCATION SENIORITY

All seniority provided for above shall be based on the length of service of the employees at the location involved. Location seniority shall not affect an employee's seniority with the Company for the purpose of fringe benefits.

Where more than one (1) operating center is located within a United Parcel Service building, seniority for all full-time employees will be integrated for the purpose of layoff and rehiring and for eligibility to qualify for higher straight time hourly rate jobs.

SECTION 10 – SENIORITY AND JOB ASSIGNMENTS

All positions shall be offered to full-time regular employees, in seniority order on the appropriate seniority list where the opening becomes available. The qualification and requirements for the opening shall be posted for five (5) working days, including the rate of pay. Employees shall receive the higher rate of pay during the qualifying period, which shall be no more than thirty (30) working days. Once having accepted a bid position, an employee may not request a change until such employee has remained in the position for a period of six (6) months, except to exercise seniority to qualify for a higher paid position. Bids for permanent openings will be allowed for cross bidding within the same classification and within the same building. Past practices shall prevail in each Local Union's jurisdiction for peak season openings. The Local Union will be provided copies of all bids and a list of the successful bid winner(s).

Unassigned drivers will be given an opportunity, by seniority, to be assigned to a bid route when that bid driver is unavailable for more than one (1) week. The driver accepting the route must stay on that route for the duration of the vacancy, but not to exceed thirty (30) days, unless requested.

In those areas where superior conditions prevail, those conditions will remain in effect.

The Company will maintain a list in each center of each package car route number and its respective drivers, and also identify the training routes.

Employees on approved leave shall not be deprived of their seniority selection rights.

The successful selector shall be assigned within five (5) days of the completion of the selection process.

A driver on a leave of absence, vacation, disability, etc., shall not be deprived the opportunity to exercise his/her seniority, provided, however, bids must be submitted within the defined bidding period. The company will notify the above-defined drivers of any openings in a timely manner, so as to allow interested drivers an opportunity to bid. Drivers on leave that have no interest in bidding new openings should notify the Company.

SECTION 11 – RECOGNITION OF SENIORITY

The company recognizes that the principles of seniority will be given prime consideration in the everyday operation of the business.

SECTION 12 – PACKAGE CAR VACANCIES

(a) A package car delivery area permanently vacated or a newly established delivery area, excluding those extra delivery areas established during the peak season, shall be posted and bid in accordance with the posting and bidding procedures set forth in Article 31, Section 2.

When a package route becomes vacant, the company will post the vacant route for bid within five (5) business days and the route will be awarded within five (5) business days upon completion of the bidding process.

(b) Provided, however, when a driver's delivery area is split to the extent of creating an additional new delivery area the affected driver shall be allowed to select either of these areas prior to posting the other area for bid. The number of package car vacancies to bid resulting from the original opening shall be in accordance with local past practice.

When a driver's assigned delivery area is permanently changed by fifty percent (50%) or more of its delivery stops, said driver shall have the right to follow the major portion of the original delivery area. When more than one (1) driver's delivery area is affected, those affected drivers shall be afforded the opportunity amongst themselves to bid the areas affected in accordance with their seniority.

(c) Bids shall include geographical descriptions (delivery unit numbers) and whether the area is a designated training area.

(d) Training Areas: In order to provide for more favorable training for new employees, the Company shall designate certain areas in each center to be used as training areas. Once designated, these areas shall not be changed until discussed with the Local involved. These areas shall be subject to the job bidding procedure. Employees who presently hold bid areas will not have their bid changed as a result of this provision.

Employees who bid training areas will be removed from those areas when it becomes necessary to train on these areas.

01-15	PACKAGE CAR DRIVERS – 1 TRAINING AREA
16-30	PACKAGE CAR DRIVERS – 2 TRAINING AREAS
31-45	PACKAGE CAR DRIVERS – 3 TRAINING AREAS
46-60	PACKAGE CAR DRIVERS – 4 TRAINING AREAS
61 or More	PACKAGE CAR DRIVERS – 5 TRAINING AREAS

It is the intention of the parties that part-time employees who accept full-time package car positions will remain on a given training route for the duration of the training period.

ARTICLE 4 – DISCHARGE OR SUSPENSION

Any employee may be discharged or suspended for just cause subject to the provisions and procedures contained in Article 7.

ARTICLE 5 – DISCRIMINATION

SECTION 1 – DISCRIMINATION IN EMPLOYMENT

The Union and the Employer agree not to discriminate against any individual with respect to hiring, compensation, terms, or conditions of employment because of such individual's race, color, religion, sex, national origin, or age, nor will they limit, segregate, or classify employees in any way to deprive any individual employee

of employment opportunities because of race, color, religion, sex, national origin, or age.

SECTION 2 – UNION ACTIVITIES

Any employee member of the Union acting in any official capacity whatsoever shall not be discriminated against for his acts as such officer of the Union, so long as such acts do not interfere with the conduct of the Employer's business, nor shall there be any discrimination against any employee because of union membership or activities.

SECTION 3 – NON-DISABLING HANDICAP

At no time while this Agreement is in force shall the Employer discharge, suspend, discipline or otherwise deal unjustly with or discriminate against, whether directly or indirectly, any employee solely by reason of such employee having incurred a non-disabling physical handicap, provided a physician mutually agreed upon certified in writing that such employee is physically able to perform regular duties.

SECTION 4 – BLACKLISTING

The Employer shall not in any way establish, create, or become a party to a blacklist which may have as a purpose, prevention or interference with the obtaining of employment by a member of the Union with any employer or company.

ARTICLE 6 – PROTECTION OF RIGHTS

SECTION 1 – PICKET LINES

It shall not be a violation of this Agreement and it shall not be cause for discharge or disciplinary action in the event an employee refuses to enter upon any property involved in a primary labor dispute, or refuses to go through or work behind any primary picket line, including the primary picket line of unions party to the Agreement, and including primary picket lines at the Employer's place of business, provided picket line is sanctioned by Joint Council No. 7.

SECTION 2 – STRUCK GOODS

It shall not be a violation of this Agreement and it shall not be cause for discharge or disciplinary action if any employee refuses to per-

form any service which his Employer undertakes to perform as an ally of an Employer or person whose employees are on strike and which service, but for such strikes would be performed by the employees of the Employer or person on strike.

ARTICLE 7 – GRIEVANCE PROCEDURE

SECTION 1

(a) Initial handling: Any grievance or controversy affecting the mutual relations of the Employer and the Union shall first be taken up between the Local Union and the Employer. If, after thorough discussion between the parties, the matter is not resolved within five (5) days, exclusive of Saturdays, Sundays and holidays, after first being taken up, it shall be reduced to writing by the grieving party, copies shall be sent to the other party, and the case shall be referred to the United Parcel Service Labor-Management Committee and put on the agenda for its next regular meeting.

(b) Time Limitation: (Except as provided in Article 7, Section 4), all grievances, claims and disputes shall be submitted to the Labor-Management Committee within forty-five (45) days of the occurrence of the matter upon which the grievance, claim, or dispute is based. Any such grievance, claim, or dispute not submitted within such time shall be waived unless the joint Committee by majority vote for good cause accepts such submission, or unless either party has intentionally concealed the facts upon which the grievance, claim, or dispute is based. To expedite the equitable resolution of grievances, the Company agrees to make available for inspection, within five (5) days, all pertinent information when a request, in writing, is made by the Local Union.

SECTION 2 – TEAMSTERS/UNITED PARCEL SERVICE LABOR MANAGEMENT COMMITTEE

(a) There shall be a Teamsters/United Parcel Service Labor-Management Committee composed of three (3) representatives of the Union and there shall be three (3) representatives of the Employer. None of these representatives shall be involved in the dispute.

The Committee shall formulate such rules of procedure as it may deem advisable and such rules of procedure will be made known to all parties under this Agreement.

Regular meetings of the Committee shall be held on the agreed upon day of each month to pass upon matters referred to it. If no cases are on the agenda, meetings may be canceled. If grievances develop which require more immediate action, the Committee may meet on any other date which may be agreed upon. The Committee shall be obligated to remain in session until the agenda is completed.

If the Employer fails to appear at the designated time and place of the hearing, such failure shall result in default decision against the Employer for cases which are on the agenda for that date. Default decisions against the Union involved shall likewise apply if a representative of the Union involved fails to appear.

A majority decision of the Committee shall be final and binding upon the parties. Any discharge or suspension case deadlocked by this Committee may be submitted to an impartial arbitrator by either the Employer or the Union. All other deadlocked cases shall be referred to a Western Region-UPS Committee as outlined in Section 2(b).

(b) The Western Region-UPS Committee shall be composed of three (3) representatives of the Union one (1) of whom shall be appointed by the Western Region Director, one (1) of whom shall be the negotiating Committee Chairman for the appropriate contract grieved, and one (1) shall be appointed by the Union Chairman, and three (3) representatives of the Employer, one (1) of whom shall be the Regional Labor Relations Manager, or his designee, and the other two (2) representatives designated by the Employer. Issues resolved at this level shall be final and binding. Any case deadlocked by the Committee will be referred to an International Teamster-UPS Committee composed of the President of the International Brotherhood of Teamsters and the Vice President of Labor Relations of UPS, or their designees. Issues resolved at this level shall be final and binding.

Any case deadlocked by this Committee may be submitted to arbitration by either the Employer or the Union.

SECTION 3 – USE OF AN IMPARTIAL ARBITRATOR

The cost of the arbitration shall be borne jointly by the Employer and the Union, except for those individual expenses which the Union or the Employer may incur for the purpose of putting on their case.

SECTION 4 – HANDLING OF DISCHARGES OR SUSPENSIONS

Any case pertaining to a discharge or suspension shall be handled as follows:

(a) In discharge or suspension cases, the Company shall not proceed with any interrogation unless the employee being interrogated is provided with Union representation from his/her Local Union unless specifically waived by the employee, in writing, with a copy to the Union.

(b) In all cases, except theft, intoxication, use, sale, or possession of illegal narcotics and gross insubordination, each having occurred on the job, an employee to be discharged shall be allowed to remain on the job, without loss of pay, unless and until the discharge is sustained under the grievance procedure. In suspension cases, the employee shall be allowed to remain on the job, without loss of pay, unless and until the suspension is sustained under the grievance procedure.

Notwithstanding the above, an employee who tests positive as a result of a DOT periodic test (in accordance with the National Master United Parcel Service Agreement for controlled substances) shall be offered an unpaid leave of absence for a drug rehabilitation program. If the employee refuses to participate in a drug rehabilitation program or fails to complete it satisfactorily, he/she shall be subject to disciplinary action. An employee shall have the right to return to work after satisfactorily completing the drug rehabilitation and aftercare program under the same guidelines as described.

(c) Within five (5) days of the occurrence of the alleged cause for discharge or suspension, the Employer shall give written notice by certified mail to the employee and to the Local Union of its

decision to discharge or suspend the employee and such notice shall set forth the reason or reasons for the discharge or suspension. If the Employer fails to give such written notice within the specified five (5) day period, the right to discharge or suspend for that particular reason shall be waived. But this shall not preclude the Employer from introducing as evidence, should a subsequent discharge or suspension occur, any reason or reasons to substantiate unsatisfactory work performance arising out of circumstances which occurred during the nine (9) month period immediately preceding the date of discharge or suspension notice. However, in order for any such reason to be introduced by the Employer, the Employer must have given specific written notice by certified mail to the employee and to the Local Union of the circumstances giving rise to such reason within ten (10) days of the occurrences of the circumstances. Such written notice may not be submitted for consideration by the Labor-Management Committee except in cases in which the Employer has given the employee a notice of discharge or suspension and such notice shall not be subject to economic action by either the Union or the Employer. If the Local Union does not file with the joint secretaries of the Committee a written protest of the Employer's action within five (5) days, excluding Saturdays, Sundays and holidays from the time of receipt of the Employer's notice, the right to protest such discharge or suspension shall be waived.

(d) Should the Local Union file protest of the intended discharge or suspension within the time period set forth in subsection (c), then the case shall automatically be placed on the agenda of the Committee described in Section 2 above. Discharge and suspension cases referred to the Committee will be placed first (1st) on the agenda of the Committee provided that the Committee shall not hear the case until the five (5) days specified in subsection (c) have elapsed.

(e) If the Committee reaches a deadlock, either party may submit the matter to an impartial arbitrator for final decision. The selection of the arbitrator for a decision in discharge or suspension cases shall be made immediately upon such deadlock, and the arbitrator so selected shall hear the case in not more than ten (10) days, excluding Saturdays, Sundays, and holidays, from the date of the deadlock and render his decision in not more than ten (10) days

from date of hearing of the case, excluding Saturdays, Sundays and holidays. The method of selection of the arbitrator shall be made as provided in Section 5.

SECTION 5 – SELECTION OF AN IMPARTIAL ARBITRATOR

The parties shall choose an impartial arbitrator and the decision of the impartial arbitrator shall be final and binding on both parties. Said impartial arbitrator shall be selected from an agreed upon list mutually selected by the parties.

The Arbitrators mutually agreed to are:

| 1. Ames, Claude | 6. Prihar, Guy |
| 2. Thompson, Katherine | 7. Winograd, Barry |
| 3. Brogen, Margaret | 8. Hayford, Stephan |
| 4. Durick, Michael | 9. Brustein, Mark |
| 5. Kagel, John | |

If any of the above becomes unavailable, the replacement shall be mutually agreed on within forty-five (45) days of knowledge.

After a toss of a coin to decide which party shall move first, the representative of the Employer and the representative of the Union shall alternately strike one (1) name from the list until one (1) name remains and such person shall be the arbitrator for the case. The last name stricken shall be the alternate arbitrator to serve in the event the first (1st) arbitrator is not available. This procedure shall be followed until there is an available arbitrator. It is understood that the time limits referred above may be waived by mutual agreement of the parties.

SECTION 6 – ARBITRATORS AUTHORITY

The arbitration proceedings shall be governed by the following provisions:

- (a) No briefs shall be submitted by the parties except if mutually agreed to;

(b) The arbitrator shall not render an expanded opinion in any case unless mutually requested by the Employer and the Union;

(d) In discharge cases where the employee is removed off the job, the arbitrator will be required to either make a bench decision or render a decision in no more than ten (10) calendar days.

SECTION 7 – GRIEVANCE SETTLEMENTS

All monetary grievance decisions or settlements shall be submitted by separate check payable to the grievant or grievants and a copy of same sent to the Local Union for the records. Such settlements shall be paid within five (5) days of the settlement.

If the Employer fails to make the payment available on the employee's fifth (5th) scheduled workday, the employee will be paid an additional amount equal to one-half (1/2) of his/her daily guarantee at his/her regular hourly rate for every full pay period in which the shortage is not paid after the fifth (5th) scheduled work day, until corrected.

ARTICLE 8 – LEAVE OF ABSENCE

SECTION 1 – APPROVED LEAVE

Any employee desiring a leave of absence shall secure written permission from both the Local Union and the Employer. Except as otherwise provided in this Article, the maximum leave of absence shall be for ninety (90) days and may be extended for like periods. Written permission for such extended periods shall be secured from both the Union and the Employer. The first (1st) approved leave of absence plus approved extended leaves of absence shall not exceed a maximum time period of twelve (12) months. During an approved leave of absence, the employee shall not engage in gainful employment in the same industry. Leaves of ten (10) days or less do not require Union approval. Disputes concerning request for leaves of absence are subject to the grievance procedure.

Any employee who is unable to work because of sickness or injury shall be deemed to be on leave of absence. Such leave will not exceed three (3) years unless extended by written consent of the Union and the Employer. In the absence of such consent, a request for extension of such leave shall be subject to dispute procedure.

A leave of absence, as provided, shall not result in the loss of seniority rights. An employee shall be granted unpaid time off in emergency situations involving illness or accident of a member of the employee's immediate family up to fifteen (15) days.

SECTION 2 – EFFECT ON VACATION/HOLIDAYS

For employees on leave due to a non-job connected illness or injury, health and welfare payments shall be borne by the Employer up to a maximum period of six (6) months and pension payments shall be borne by the Employer for a period of six (6) months. For employees on leave due to an industrial injury, health & welfare and pension payments shall be borne by the Employer for a period of one (1) year.

It is agreed by the parties that Health and Welfare and Pension payments as provided for in this article are not predicated on "paid and/or documented" illness. The Company reserves the right to send a seventy-two (72) hour notice in case of lack of communication from

the employee. Failure of the employee to respond to said notice may subject the employee to a loss of benefits under this article.

Job stewards and alternates have no authority to take strike action, or any other action, interrupting the Employer's business except as authorized by official action of the Local Union. The Employer recognizes these limitations upon the authorized job stewards and their alternates, and shall not hold the Union liable for any unauthorized acts. The Employer in so recognizing such limitations shall have the authority to impose proper, nondiscriminatory discipline, including discharge. However, in the event the job steward, or the designated alternate, has led, instigated, or encouraged unauthorized strike action, slowdowns, or work stoppages in violation of this Agreement, he/she may be singled out for more serious discipline, up to and including discharge.

The job steward or the designated alternate shall be permitted reasonable time to investigate, present and process grievances on the company property without interruption of the Employer's operation; and where mutually agreed to by the Local Union and Employer, off the property or other than during their regular schedule without loss of time or pay. In the event an employee returns to work after being released from jury duty and works beyond his/her regularly scheduled workday such hours worked shall be compensated for at the applicable overtime rate of pay.

In no event will total compensated time off exceed four (4) scheduled work days. The employee will be reimbursed at eight (8) times the employee's straight time hourly rate for each day lost from work for those employees whose regularly scheduled workweek is five (5) days, and ten (10) times the straight time hourly rate for those employees whose regularly scheduled workweek is four (4) days.

A regular full-time employee shall be guaranteed two (2) days off to be taken between the day of death and two (2) working days following the funeral provided the employee attends the funeral or other bereavement rite.

Members of the employee's family means spouse, child, stepchild, grandchild, father, mother, brother, sister, grandparents, mother-in-law, father-in-law and step parents.

SECTION 13 – MILITARY LEAVE

Failure to so notify shall relieve the employee of the bonding requirement. If proper notice is given, the employee shall be allowed thirty (30) days from the date of such notice to make his own bonding requirement, standard premiums only on said bond to be paid by the Employer. A standard premium shall be that premium paid by the Employer for bonds applicable to all other of its employees in similar classifications. Any excess premium is to be paid by the employee. Cancellation of a bond after once issued shall not be cause for discharge unless the bond is canceled for cause, which occurs during working hours, or due to the employee having given fraudulent statement in obtaining said bond.

SECTION 15 – PASSENGERS

No driver shall allow anyone, other than employees of the Employer, who are on duty, to ride on his/her truck except by written authorization of the Employer, except in case of emergency arising out of disabled commercial equipment, accidents, or an Act of God, in accordance with the Department of Transportation regulations.

SECTION 16 – COMPENSATION CLAIMS

The Employer agrees to cooperate toward the prompt settlement of employee on-the-job injury claims when such claims are due and owing as required by law. The Employer shall provide Worker's compensation protection for all employees even though not required by state law.

An employee who is injured on the job, and is sent home, or to a hospital, or who must obtain medical attention, shall receive pay at the applicable hourly rate for the balance of his regular shift on that day.

The Employer agrees to provide any employee injured, transportation at the time of injury, from the job to the medical facility and return to the job, or his home, if required.

The Company is willing to abide by the Arbitrator's decision regarding "voluntary" as it applies to TAW.

SECTION 17 – UNION BULLETIN BOARDS

The Employer agrees to provide suitable space for the Union bulletin board in each center and hub. Posting by the Union on such boards are to be confined to official business of the Union.

ARTICLE 30 – SEPARABILITY AND SAVINGS CLAUSE

If any Article or Section of this Agreement or Supplements hereto be held invalid by operation of law or by any tribunal or competent jurisdiction, or if compliance with or enforcement of any Article or Section should be restrained by such tribunal pending a final deter-

mination as to its validity the remainder of this Agreement and Supplements hereto, or the application of such Article or Section to persons or circumstances other than those as to which it has been held invalid or as to which compliance with or enforcement of has been restrained, shall not be affected thereby.

In the event that any Article or Section is held invalid or enforcement of or compliance with which has been restrained, as above set forth, the parties affected thereby shall enter into immediate collective bargaining negotiations after receipt of written notice of the desired amendments by either the Employer or the Union for the purpose of arriving at a mutually satisfactory replacement of such Article or Section during the period of invalidity or restraint. There shall be no limitations of time for such written notice. If the parties do not agree on a mutually satisfactory replacement within sixty (60) days after receipt of the stated written notice, either party shall be permitted all legal and economic recourse in support of its demands notwithstanding any provisions of this Agreement to the contrary.

ARTICLE 31 – FEEDER DRIVERS

SECTION 1 – WORK JURISDICTION

The Employer agrees to respect the jurisdiction rules of the Union party to this Agreement. A joint committee appointed by the parties of this Agreement shall meet and act on all matters concerning work jurisdiction. If no agreement is reached the matter shall be processed through the grievance procedure.

The Union recognizes the Employer is in direct competition with the United States Parcel Post. In order to meet that competition and thereby protect, and if possible, increase the number or bargaining unit jobs. It is agreed the Employer may:

(a) Use substitute means of transportation (such as aircraft, ships or rail T.O.F.C.) in the movement of parcels; provided, however, in the event any run operation existing as of August 1, 2008 is transferred to any one of the substitute means of transportation, the driver affected who is on the payroll as of August 1, 2008 shall continue

to receive the rate of pay in effect for the particular run or operation; provided, further, in the event a job of equal pay becomes available, said driver must accept the available job or relinquish the rate of pay.

(b) Drop empty trailers at location designated by its customers for customer loading when the loading process is of a delayed nature and extends over a period of time in excess of six (6) hours. The business needs of the Company may require an exception to the six (6) hour rule and such exception will be reviewed with the Local Union as to the reasons why, such as loss of volume or other valid reason. Any disputes over the six (6) hour language shall be subject to the grievance procedure. It is understood all movements of these trailers shall be performed by members of the bargaining unit. It is agreed no tractor driver will be displaced as a result of this type operation.

In order to eliminate non-productive time, it is agreed feeder drivers' duties shall include loading or unloading, or assisting in loading or unloading, the equipment the feeder driver brings into or will take out of an operating center or hub.

The Employer and the Union agree the work of shuttling trailers or pulling trailers that originate within a Local Union's jurisdiction (except in the operation of a driver bringing in a unit and taking out another unit) is the work of the particular operating center or hub in which the work originates. It is agreed, however, when the normal complement of drivers assigned to this work within a center or hub have assignments and are not available, drivers from other Local Unions who have pulled equipment into the particular hub or operating center may be utilized to perform this work. Any controversy relative to the operation or duties of feeder drivers as set forth above shall be disposed of by the Committee as set forth in the first (1st) paragraph of this Article.

SECTION 2 – FEEDER DRIVER ANNUAL SELECTION

On the first (1st) Monday in April of each year, starting times and destinations for all feeder runs in each center shall be posted and remain posted for one (1) week.

(a) All feeder schedules shall be bid on a seniority basis, each calendar year. Feeder schedules shall be posted for five (5) working days, during which time drivers shall be afforded the opportunity to bid. Annual feeder bids shall be awarded and become effective the first full week of May. Posted bids will include a brief description of each job, including the work day and work week, start time, point of destination and the type of equipment normally utilized.

(b) Permanent feeder vacancies and new schedules that become available subsequent to the annual bid shall be posted for five (5) working days, during which time drivers shall be afforded the opportunity to bid such vacated or new schedule. A posted vacancy or new schedule shall include a brief description as provided in subsection (a) above. The successful bidder shall be awarded the posted vacancy or new schedule the Sunday following the expiration of the five (5) day posting period. A permanent vacancy shall be described as a feeder schedule that runs three (3) days a week for a thirty (30) day period, excluding extra schedules established during the peak season.

Vacancies created as a result of this bidding procedure shall be posted and bid in accordance with the provisions set forth herein.

Feeder drivers shall, in order of their seniority, have the right to select starting times and destinations from the schedule posted in their center.

All feeder job starting times that change by one (1) hour or by fifty percent (50%) (four [4] hours) shall be posted for bid by seniority if the employee performing said job does not want to accept the change in hours.

It is understood that feeder runs may be changed from time to time to cover unusual situations or emergency circumstances.

All such awarded selections shall become effective by the first (1st) Monday in May.

Annual bids will include rate of pay.

SECTION 3 – FEEDER WORK

It is agreed that necessary changes may be made from time to time with respect to feeder operations. In the event of disagreement the issues will be subject to the grievance procedure.

SECTION 4 – CITIZEN BAND RADIOS

The use of citizen band (CB) radios not to exceed five (5) watts, shall be permitted in all feeder road equipment that travels in excess of ninety (90) miles on any one (1) leg of the feeder run.

Subject to the following conditions:

- (a) Operators of CB Radios must conform to FCC rules and regulations and be properly licensed and the license be on record with the Company.
- (b) Head sets and ear phones shall not be allowed.
- (c) The Company will not be responsible in any way for any damage or loss of CB Radio equipment.
- (d) All power hook-ups and antenna brackets shall be provided and installed by the Company.

SECTION 5 – CASUAL FEEDER DRIVERS

Casual feeder drivers may be utilized November 1st thru January 15th. All feeder drivers will be offered the right to work prior to any casuals. No casual feeder drivers will be utilized outside of November 1st thru January 15th of each year except when there are conditions beyond the Employers control such as fire, flood, or other Acts of God.

Extra peak season feeder schedules that are established prior to the first full week of December shall be first offered, on a seniority basis, to the seniority feeder drivers and then to the backup feeder drivers prior to filling such extra schedules with peak season hires. Seniority drivers will not be allowed to exercise seniority, to fill extra peak season schedules more than one time during each peak

season and seniority drivers filling such extra schedules shall return to his/her bid at the time such extra schedule is abolished.

It is further agreed that the intent of this clause is for casual feeder drivers to supplement the work force when no qualified regular seniority employee is available to perform the work.

SECTION 6 – FEEDER WORK RULES

1. United Parcel Service shall maintain an adequate number of utility drivers in each center so that qualified feeder drivers in package will be available to relieve on feeder jobs for vacations, absenteeism, etc.

2. United Parcel Service shall qualify and maintain a number of qualified feeder drivers in the package operations equal to 33 1/3% of the number of full-time regular feeder jobs as a minimum.

3. Qualified feeder drivers who are returned to package because of lack of work in feeders shall be returned to the original center where hired, within the Local Union's jurisdiction to maintain productivity.

4. The procedure to become a qualified feeder driver shall be as follows:

When additional feeder drivers are needed, United Parcel Service shall post a specific number of available jobs for all package drivers (and other full-time employees where applicable). Those who are interested in becoming feeder drivers shall sign up for training. The number of employees to be qualified shall be taken from said list in seniority order for training. Once this bid is completed and additional feeder drivers are needed, the process will start over with a new bid. Once notified, the employee will have fifteen (15) calendar days to get the required permit. Training is to be completed within sixty (60) calendar days from the date the employee provides the required documentation. Those qualifying after training shall be placed at the bottom of the list of qualified feeder drivers. However, they shall be integrated in seniority order on the list of qualified feeder drivers at the time of the annual bid.

5. Once a feeder driver is qualified he/she will be responsible for remaining qualified unless mutually agreed upon between the Employer and the Local Union. In the absence of mutual agreement on removal from the feeder list such request after being denied shall be subject to the grievance procedure of the agreement.

6. Whenever a job is eliminated the driver whose job is eliminated shall have the right to bump anyone below him in seniority. That driver, in turn shall have the same right. This bumping process shall continue until all bumping by seniority is completed. If any job is eliminated for thirty (30) days the above procedures shall apply. However, if the job is recreated during the period the driver affected shall be returned to the original job.

7. In the event that single work becomes doubles work for that day and the company has prior knowledge, it shall be offered to the highest affected senior driver at that particular start time.

8. Qualified feeder drivers who do not bid full-time feeder jobs or because of seniority are unable to secure a full-time job in feeder shall be assigned in seniority order on the relief list. All relief positions shall be bid by the relief feeder drivers off the relief feeder list in seniority order. On weekly bids, all relief drivers shall be required to bid feeder jobs if there is a like number of feeder jobs available. On weeks where there are surplus relief feeder drivers, seniority will determine which drivers can refuse to bid feeder jobs and be assigned to package driving for that week. While in package, if unplanned feeder jobs develop, they will be filled by seniority. To select a preferred available job each relief driver shall contact the feeder department no later than 12:00 midnight on Tuesday prior to the Monday for which the job becomes effective.

If unplanned feeder jobs develop for one (1) week prior to the posting of the starting schedule, these jobs will be filled by seniority from the remainder of the relief feeder list.

Senior relief feeder drivers with early Monday a.m. start times who are required to work a late p.m. shift on the last working day of the

week, will be given consideration to have a junior relief feeder driver cover that late p.m. shift providing they are available.

9. Effective with the signing of this agreement all former letters of agreement conflicting with these rules shall be null and void.

SECTION 7 – AIR CONDITIONING

All tractor trailer equipment utilized in feeder-line operations ordered after May 1, 1979 shall be equipped with air conditioning, subject to the following conditions:

(a) Feeder equipment first acquired with air conditioning shall be assigned to runs where climatic conditions indicate the need.

(b) Such assignments, where disagreements exist, shall be subject to review by the North Cal Supplemental Negotiating Committee, and when climatic conditions exist, the parties will sit down and work out the necessary equipment adjustment. Air conditioners will be maintained in proper working condition. If a feeder air conditioner is inoperative the driver shall notify an appropriate supervisor and the air conditioner shall be repaired as soon as practicable, but in no event later than the next time the equipment is placed in a shop for PMI or other scheduled maintenance work, provided replacement parts are available. In the event parts are not available the Company will order the needed parts and complete the repairs after receiving such parts. Any realistic alternative to using the equipment with an inoperative air conditioner will be given first priority.

SECTION 8 – INTERPRETATION OF BREAKDOWN AND IMPASSABLE HIGHWAYS

In any instance of breakdown or impassable highway, which prevents an employee from proceeding to his/her destination (or if instructed, from returning to the point of departure) the employee shall be paid the applicable hourly wage for all time the employee is required to remain with the equipment and until such time as the employee arrives at a place of lodging, with overtime payments if appropriate but in no event less than the daily guarantee the employee was otherwise entitled to.

Once an employee arrives at a place of lodging, the employee shall be considered as released from duty without pay for the next ten (10) hours (or any portion thereof) and shall thereafter be paid the daily guarantee for the first eight (8) or ten (10) hours applicable (or portion thereof) out of each succeeding twenty-four (24) hour period until such time as he/she is able to resume his/her trip.

Actual hours necessary to complete the trip upon leaving the place of lodging shall be paid at the applicable hourly wage rate and all hours paid shall be considered in computing weekly overtime. The employee shall be reimbursed for all meals and lodging upon presentation of proper receipts.

SECTION 9 – FEEDER RUNS

Layover: On layover runs, the Employer shall reimburse such driver for full cost of food and lodging at the layover point upon presentation of proper receipts. A feeder driver operating a unit consisting of triple trailers, or two (2) forty foot or over trailers, shall receive six dollars (\$6.00) per day or seventy-five cents (\$.75) per hour for all hours worked, whichever is greater, over the feeder rate of pay.

SECTION 10 – TOTAL ARTICLE

This Section is part of the collective bargaining agreement and all terms of this Section and the bargaining agreement shall apply to all employees wherever applicable.

ARTICLE 32 – UTILITY DRIVERS

It is agreed that package operations shall hire utility drivers.

Regular part-time employees (in order of location seniority) who desire to be hired as utility drivers shall so inform the center manager. Those part-time employees who successfully meet the qualification standards for UPS drivers will be considered for the utility driving job.

These utility drivers may be used to cover absentees, overflow work, etc.

Utility drivers, who work in centers located in hub buildings where hub work is available, will be guaranteed eight (8) hours pay at the driver rates. In other locations where hub work is not available, the eight (8) hour guarantee will not apply. Starting time restriction shall not apply to utility drivers.

The company shall post a bid for utility drivers in the first week of March each year. An employee who desires to be added to the current utility list, and who has more seniority than the junior employee on the current list shall place their name on the bid. Employees who successfully meet the qualification standards for UPS drivers and complete the orientation training will be added to the list. The training shall commence within ninety (90) days.

Progression scale for utility drivers (Refer to Article 21, Section 2).

ARTICLE 33 – SUPERVISORS WORKING

The Employer agrees that the function of supervisors is the supervision of employees and not the performance of the work of the employees they supervise. The Union agrees that the Employer must train employees and must prevent service failures.

Accordingly, the parties agree that supervisors will not perform the work of the employees they supervise except during training, demonstration, and safety education; and supervisors will not perform Union member's work until all reasonable efforts have been exhausted to have the work covered by Union employees of United Parcel Service.

It is the responsibility of the employer to have a sufficient number of employees on roll to cover the work, in addition to a sufficient number of utility drivers on roll. All violations will be paid at the double time rate of pay to the affected employee or the bounty system within five (5) days of settlement.

Local practice as it relates to payment under this Article and under Article 3, Section 7 of the National Master United Parcel Service Agreement shall prevail.

ADDENDUM NO.1

LOCAL 2785

(a) Job Classifications and Rates of Pay (Article 21)

(b) Tractor Drivers: Tractor drivers on the long line Schedule (S.F.-L.A.) are to be paid at the same rate as set forth in the Long Line and Turn-around Collective Bargaining Agreement between California Trucking Associations, Inc., and Highway Drivers' Council of California.

Where a driver is paid on the mileage scale, the hourly rate shall be paid for unloading and loading of freight and tire changes when such work is performed by the driver, in addition to the mileage rate.

When a driver is paid on the mileage basis and is required by the Employer to check and/or refuel the equipment, such driver shall be compensated for one half (1/2) hour at the regular hourly rate, in addition to the mileage rate of pay, for each tour of duty.

For all mileage drivers, holiday pay and vacation pay for each week of vacation shall be computed on the basis of number of miles driven on bid mileage run. Upon the written request of the employee, the company shall notify him in writing of the method of computing his vacation pay and holiday pay, including the number of miles paid for.

(c) **Starting time:** Starting times for drivers doing combination pickup and feeder work shall remain on a status quo basis.

Any scheduled shift other than the duty shifts, but including Central Drivers' and Central Helpers' shifts, shall be posted on the prior Friday of the week for which the shifts are to be effective. Employees who are ordered to report for work prior to said scheduled starting time shall receive time and one half (1 1/2) for all hours worked prior to their regular starting time. Employees who are ordered to report later than their scheduled starting time shall receive time and one half (1 1/2) for the number of hours worked equal to the number of hours called in to work after their scheduled starting time.

The Employer agrees that Central Drivers' and Central Helpers' shifts shall be posted on the prior Thursday for which the shifts are to be effective.

(d) Extra Drivers and Helpers: Extra drivers and helpers may start work not later than 9:00 a.m., during the Christmas rush period between November 1st and January 15th inclusive.

(e) Starting time restrictions shall not be applicable to feeder operations.

(f) All regular drivers shall be offered not less than five (5) days of employment in any one (1) scheduled week. The Employer shall not be required to pay its regular drivers a full week's wages if they are required to lay off regular drivers during any week period; provided, however, said layoff is occasioned as a result of a strike in the industry or said layoff is occasioned by other circumstances beyond the control of the Employer causing a disruption in the normal volume of business.

(g) Under the Terms of this Agreement, newly hired employees in San Francisco shall accumulate sick leave under the provisions of the San Francisco Paid Sick Leave Ordinance, San Francisco Administrative Code Section 12F, but may only use such leave in accordance with the terms of the collective bargaining agreement. All other provisions of the San Francisco Paid Sick Leave Ordinance as presently written and/or amended during the life of this Agreement are either fulfilled or expressly waived.

ADDENDUM NO. 2

LOCAL 856

Scope of Agreement

(a) The execution of this Supplemental Agreement on the part of the Employer shall cover office and clerical employees employed by the Employer excluding, however, the classifications set forth immediately below.

(b) The following classifications of employees are specifically excluded from the coverage of this Supplemental Agreement.

- (1) Confidential employees, supervisory and professional employees within the meaning of the Labor Management Relations Act of 1947 as amended;
- (2) Employees already covered by an existing Union contract;
- (3) Dispatchers exercising independent judgment with respect to the responsibility for directing the work or recommending hiring and firing. It is the intention of the parties hereto that the aforesaid exclusions shall be governed by the duties commonly and regularly performed by employees and shall not depend upon mere title.

Employment Agency Fees

If employees are hired through an employment agency, the Employer is to pay the employment agency fee. However, if the Union was given equal opportunity to furnish employees under Article 2, Section 2(b) of the Agreement, and if the employee is retained through the probationary period, the fee need not be paid until the thirty first (31st) day worked by the employee. After contacting the Local Union, temporary agency employees may be used only when the Local Union is unable to furnish temporary employees. Temporary employees will be defined as any employee who will work one (1) week or less.

Shift Differential

A shift differential shall be paid in accordance with Article 29, Section 9, of the Agreement; provided, however, a full-time employee

on the payroll of the Employer as of ratification date who is receiving ten percent (10%) shift differential, and who would suffer a reduction in earnings shall receive the equivalent in cents per hour based on their straight time hourly rate in effect on July 1, 1973, and shall continue to receive such cents per hour shift differential as long as such employee remains on such shift.

Transfers and Job Bidding:

Moves within a District will be handled in the following manner:

(a) Jobs Posted For Bid:

Seniority employees desiring to move to another location within the district must submit a written request to their Manager and a copy to the Local Union. The request will be retained in the Personnel office.

All written requests must designate the exact building desired. The request must be signed, dated and filed in the Employer's Personnel department and with the Union prior to any job posting. Only written transfer requests on file prior to a job posting will be considered as bids for a job.

These letters must be updated yearly by the employee in order to remain active. Only the most current letter of transfer to one specific building from any one employee will be considered. These requests require legitimate reasons to be considered.

All permanent jobs not bid in any location will be awarded to the highest senior employee on the relief list. Relief Clerks shall not be allowed to bid permanent openings within their location.

(b) Layoffs of Over One Week Duration:

- 1) Laid off employees may elect to displace any junior employee in a bid job at another location in order to continue working providing however, that such employee is qualified to perform the work of the displaced employee. (Operational Clerks will be given the opportunity to qualify for all operational positions).

If a laid off employee refuses work during the five (5) day period, they will not be eligible to displace another employee. The five (5) consecutive day chain will be considered broken.

2) Employees electing to displace the junior employees at another location may bid future jobs posted in that location after being relocated, and will be awarded the bid provided such employee is the most senior bidder.

3) Employees laid off may elect to take the layoff until recalled.

(c) In reference to the above understanding, it is agreed that the seniority will be dovetailed for all purposes.

(d) Job Reassignment: Job reassignments will be on an as-needed basis only, due to reduction or transfer of the work. Seniority will be recognized in all job reassignments.

(e) When a senior employee is laid off, he or she may exercise their seniority to displace any junior employee at their location for which they are qualified to perform the work. The displaced employee may use his or her seniority to displace any junior employee at the location for which they are qualified to perform the work, or they may elect to take the layoff.

With respect to permanent job openings occurring during the periods from October 1 through and including December 31, any new hires taking such job openings during this “seasonal non-seniority period of time”, shall accrue seniority and other contract benefits as if they had been hired during any other part of the year.

Any newly established job classification will be negotiated at the time the job is created.

Any employee laid off on the workday immediately preceding or immediately following one of the holidays shown in Article 24 of the Agreement shall receive eight (8) hours pay at such employee’s regular rate of pay for each such day laid off. The above shall not apply when the layoff is the result of bona fide lack of work or for

other reasons beyond the control of the Employer. It is intended to discourage a layoff for the sole purpose of working an employee less than the full week, during a week in which a holiday falls.

When a lead clerk is appointed by the Company, he/she will receive fifty cents (\$.50) per hour above their current rate of pay. The Company has the sole right in appointing lead clerks. Seniority has no application in the classification and therefore, no bidding will be conducted. Also the Company has the right to use or not use this position as it sees fit, without the Union's interference.

Temporary Job Bids: In cases of temporary job openings caused by some type of absenteeism, the Employer should determine the actual or anticipated length of the absence. If the length of the absence is known from the outset to exceed thirty (30) working days, the Employer shall post a temporary job bid for such job opening stating not only qualifications, but the estimated length of the temporary job opening. If the actual length of absence at the outset is not known and it becomes known within thirty (30) working days that the absence will be at least sixty (60) days from the outset, the aforementioned temporary job bidding procedure shall take place.

The bidding procedure will be conducted in the usual contractual manner. If the job is successfully filled by a Local 856 union employee, the second opening thus created should be filled by assignment in the usual contractual manner.

Any employee who holds a permanent bid position and is in a temporary position may exercise his or her seniority in bidding any other permanent position or temporary position which becomes available. If no bid clerk should bid such available position, Relief Clerks who are not assigned to a position, will be assigned to the available position in seniority order. Relief Clerks are only allowed to bid on jobs where they have a Letter of Transfer on file. Relief Clerks domiciled in that location who have more seniority will be placed in the open position in the usual contractual manner.

When the absent employee returns to work, the temporary job bidder shall return to his/her job. When and if it is determined the temporary job opening is to be a permanent job opening, it shall

then be bid as such according to the contract. It is understood by the Employer and the Union that temporary Job Bids are confined to the location at which the absence occurs. Should no one bid a temporary job opening, the Employer shall fill such by the usual contractual manner.

Both UPS and Local 856 agree that Local 856 shall not be signatory to or subject to any Sort Agreement unless otherwise mutually agreed to.

6) All newly hired employees who are referred to the Employer by Local 856 and who have one or more years' experience in the trans-

ARTICLE 22.4

LETTER OF UNDERSTANDING FULL TIME EMPLOYEE WORK RULES

1. Where a layoff is posted on a Friday and in an Article 21 RPCD is laid off, the RPCD has the following options:

- (2) The RPCD may elect to take the day off by seniority.
- (3) The RPCD may bump a 22.4 on a Tuesday through Saturday workweek and work Saturday at the RPCD's current driver rate of pay.
- (4) The RPCD may work a 4-10 workweek subject to the Union proposal on Article 22 Section 2 NCSA.
- (5) The RPCD may displace a lower seniority 22.3 employee they are qualified to replace and be paid at their normal package driver rate of pay.

2. No Article 22.4 employee will perform any driving work while any RPCD's are laid off.

3. RPCD positions shall be offered to all full-time employees based on seniority, then to part-timers. In accordance with Article 3, Section 10, NCSA.

4. Article 22.4 Employees shall be included and made a part of the single full time seniority list in each building where they are located for layoff, bidding purposes and the assignment of extra work assignments.

5. Article 22.4 positions shall be offered to all full-time employees based on seniority, then to part-timers. In accordance with Article 3, Section 10, NCSA and Article 3, Section 1, NCSR.

6. Article 22.4 employees shall select vacation with package per Article 25, Section 7, NCSA.

7. The practice of using RPCD's to perform early AM package and bulk stop work shall remain the same. Article 22.4 drivers shall not perform early package work. Any movement of air packages to airports and other locations including but not limited to service centers, UPS buildings and driver meet points shall continue to be performed by RPCD's and at no time shall such work be performed by a 22.4 driver.

No 22.4 employee shall start driving before the RPCD start time. The rescheduling will be done in advance by mutual agreement between the employee and the Employer.

Any Local Union having a dispute with RPCD's being laid off on Mondays while 22.4 drivers work a full Tuesday-Saturday workweek shall first attempt resolution with the Labor Manager. If the issue cannot be resolved, it shall be immediately referred to the Co-Chair of the Nor Cal Committee and the UPS Vice President of Labor Relations.

Additionally, it is not the intention of the Company that the advent of Article 22.4 drivers will materially reduce the workdays of RPCD's who have not opted in to 9.5 protection. If a Local Union believes that this is taking place, they shall have the right to use the dispute mechanism set forth in the paragraph above. The individuals listed above shall further have the ability to meet, discuss, and resolve other unforeseen issues that may arise with respect to the use of Article 22.4 drivers

AGREEMENT

Agreement for the period of August 1, 2018 through July 31, 2023

This agreement has been entered into between UNITED PARCEL SERVICE, INC., or its successors, hereinafter referred to as the Employer and the below listed Local Unions of the INTERNATIONAL BROTHERHOOD OF TEAMSTERS, CHAUFFEURS, WAREHOUSEMEN AND HELPERS OF AMERICA, hereinafter referred to as the Union 70, 87, 137, 150, 287, 315, 386, 431, 439, 533, 665, 856, 890, 912, 948, 2785. The Union consists of any Local Union which may become a party to this Agreement and any Addenda hereinafter set forth. Such Local Unions are hereinafter designated as “Local Union”.

ARTICLE 1 – UNION SECURITY

SECTION 1 – RECOGNITION

The Employer recognizes and acknowledges that the Local Unions, jointly and collectively, are the exclusive representatives of all employees in the classifications set forth in the Wage Schedule in this Agreement or Addenda thereto and shall constitute a single bargaining unit.

SECTION 2 – UNION MEMBERSHIP

(a) All present employees who are members of the Local Union on the effective date of this subsection or on the date of execution of this Agreement, whichever is the later, shall remain members of the Local Union in good standing as a condition of employment. All present employees who are not members of the Local Union and all employees who are hired hereafter shall become and remain members in good standing of the Local Union as a condition of employment on and after the thirty-first (31st) day following the effective date of this subsection or the date of this Agreement, whichever is the later. An employee who has failed to acquire or thereafter maintain, membership in the Union as herein provided, shall be terminated seventy-two

(72) hours after his Employer has received written notice from an authorized representative of the Local Union, certifying that membership has been, and is continuing to be, offered to such employee on the same basis as all other members and, further, that the employee has had notice and opportunity to make all dues or initiation fee payments. This provision shall be made and become effective as of such time as it be made and become effective under the provisions of the National Labor Relations Act, but not retroactively.

(b) When the Employer needs additional employees, the Employer shall give the Local Union equal opportunity with all other sources to provide suitable applicants, but the Employer shall not be required to hire those referred by the Local Union. Business agents and/or the Steward shall be permitted to attend new employee orientations. The Company, on a monthly basis, will send any change of classification from part time to full time, new hires, transfers, and terminated employees to the affected local union.

(c) No provision of this Article shall apply in any state to the extent that it may be prohibited by State law. If under applicable State law additional requirements must be met before any such provisions may become effective, such additional requirements shall be first met. If any agency shop clause is permissible in any state where the provisions of this Article relating to the Union Shop cannot apply, the following Agency Clause shall prevail:

(1) Membership in the Local Union is not compulsory. Employees have the right to join, not join, maintain, or drop their membership in the Local Union, as they see fit. Neither party shall exert any pressure on, nor discriminate against, an employee as regards such matters.

(2) Membership in the Local Union is separate, apart and distinct from the assumption by one of his equal obligation to the extent that he receives equal benefits. The Local Union is required under this Agreement to represent all of the employees in the bargaining unit fairly and equally without regard to whether or not an employee is a member of the Local Union. The terms of this Agreement have been made for all employees in the bargaining unit and not only for members in the Local Union, and this Agreement has been

executed by the Employer after it has satisfied itself that the Local Union is the choice of a majority of the employees in the bargaining unit. Accordingly, it is fair that each employee in the bargaining unit pay his own way and assumes his fair share of the obligation along with the grant of equal benefits contained in this Agreement.

(3) In accordance with the policy set forth under subparagraphs (1) and (2) of this Section, all employees shall, as a condition of continued employment, pay to the Local Union the employee's exclusive collective bargaining representative, an amount of money equal to that paid by other employees in the bargaining unit who are members of the Local Union, which shall be limited to an amount of money equal to the Local Union's regular and usual dues. For the present employees, such payments shall commence thirty-one (31) days following the effective date or on the date of execution of this Agreement, whichever is the later, and for new employees, the payment shall start thirty-one (31) days following the date of employment.

(d) If any provision of this Article is invalid under the law of any state wherein this Agreement is executed, such provision shall be modified to comply with the requirements of state law or shall be renegotiated for the purpose of adequate replacement. If such negotiations shall not result in mutual satisfactory agreement, either party shall be permitted all legal or economic recourse.

(e) In those instances where Subsection (b) hereof may not be validly applied, the Employer agrees to recommend to all employees that they become members of the Local Union and maintain such memberships during the life of this Agreement, to refer new employees to the Local Union representative, and to recommend to delinquent members that they pay their dues since they are receiving the benefits of this Agreement.

(f) To the extent such amendments may become permissible under applicable federal and state law during the life of this Agreement, as a result of legislative, administrative, or judicial determination, all of the provisions of this Article shall be automatically amended to embody the greater Union Security provisions.

SECTION 3 – DUES CHECKOFF

The Employer agrees to deduct from the pay of all employees covered by this Agreement the dues, initiation fees and/or uniform assessments of the Local Union having jurisdiction over such

employees and agrees to remit to said Local Union all such deductions prior to the end of the month for which the deduction is made. Where laws require written authorization by the employee, the same is to be furnished in the form required. The Local Union shall certify to the Employer in writing each month a list of its members working for the Employer who have furnished to the Employer the required authorization, together with an itemized statement of dues, initiation fees (full or installments) or uniform assessments owed and to be deducted for such month from the pay of such member, and the Employer shall deduct such amount from the first (1st) paycheck following receipt of statement of certification of the member and remit to the Local Union in one lump sum. The Employer shall add to the list submitted by the Local Union, the names of all regular new employees hired since the last list was submitted and delete the names of employees who are no longer employed. Where an employee who is on check off is not on the payroll during the week in which time the deduction is to be made, or has no earnings or insufficient earnings during that week, or is on leave of absence, the employee must make arrangements with the Local Union to pay such dues in advance.

The Employer will recognize authorization for deductions from wages, if in compliance with state law, to be transmitted to the Local Union.

No such authorization shall be recognized if in violation of federal or state law. No deduction shall be made which is prohibited by applicable law. In the event that an Employer has been determined to be in violation of this Article by the decision of an appropriate grievance committee, and if such Employer subsequently is in violation thereof after receipt of seventy-two (72) hour's written notice of specific delinquencies, the Local Union may strike to enforce this Article. However, such strike shall be terminated upon the delivery thereof. Errors or inadvertent omissions relating to the individual employees shall not constitute a violation.

Check off shall be on a weekly, monthly or quarterly basis at the option of the Union.

Check off shall be optional with each Local Union.

ARTICLE 2 – HIRING PROCEDURES

SECTION 1 – LICENSE REQUIREMENTS

No employee or applicant for employment shall be required to possess a driver's license unless such license be required by law for the type of work actually performed by the employee, which shall be specified by the Employer to the Hiring Hall and/or Local Union. In any such case, a classification of driver's license higher than that imposed by law shall not be required.

SECTION 2 – EXCLUSIVE HIRING

(a) Hiring Hall: Whenever the Employer requires workers, the Employer shall notify the Local Hiring Hall, either in writing or by telephone, stating the location, starting time, and approximate duration of the job, the type of work to be performed, and the number of workers required.

(b) No Hiring Hall: In a Local Union territory in which no Hiring Hall is maintained, the following procedure shall apply:

(1) When new or additional employees are needed, the Employer shall furnish to the Union an H.R.I.S. listing to include locations of UPS jobs, rate of pay, classification, shift, (this is subject to the capabilities of the H.R.I.S. System) and notify the Local Union in that area of the number and classification of employees needed and the Local Union shall have reasonable opportunity to refer applicants for vacancies to be filled. In the event that the Local Union has no applicants to refer or applicants referred by the Local Union are not hired, the Employer agrees, within twenty-four (24) hours of the date of hiring, to notify the Local Union of the name or names of the persons hired, their addresses, social security numbers, and shift. Stewards shall have the right to check all new employees for referral slips.

The Employer shall furnish to the Union an H.R.I.S. listing to include locations of UPS jobs, rate of pay, classification and shift, (this is subject to the capabilities of the H.R.I.S. System).

(2) In hiring to fill vacancies for positions, the Employer will give preference to applicants for employment who have had previous experience in the Local Union area and in the work covered by the classifications to be filled.

(c) The Employer shall notify the Union on a monthly basis of all terminated employees.

SECTION 3 – HIRING STANDARDS

Upon such receipt of notice, the Local Hiring Hall shall endeavor to furnish the applicants requested. Selection of applicants for referral to jobs shall be on a nondiscriminatory basis and shall not be based on, or in any way affected by, Union membership, bylaws, rules, regulations, constitutional provisions, or any other aspect of Union membership, policies, or requirements. Such selection will be made on the following basis:

(a) The Local Hiring Hall shall maintain a list of all persons seeking jobs who have been employed on the type of work and in the geographical area covered by the Local Hiring Hall and by this Agreement for a period of at least one (1) year, which list shall hereinafter be called "List A." The Local Hiring Hall shall maintain a separate list of all persons seeking jobs who do not meet that requirement which list shall hereinafter be called "List B."

(b) Such persons' names shall be entered on said list in the order in which they notify the Local Hiring Hall of their availability for jobs.

(c) After each person's name shall be entered a designation corresponding to the type or types of work which the person is qualified to perform. Each person at the time of applying for a job shall indicate their own qualifications and such indications shall be conclusive unless the Employer, to whom such person is dispatched, reports to the Local Hiring Hall that in the Employer's opinion the person is not qualified. In such event such person shall be required

to take an objective examination given by the Hiring Hall Committee, and if such person fails such examination, said person shall not be entitled to preference on the type of work involved until said person passes such examination at a regular time set therefore.

(d) In dispatching, preference shall be given to persons on List A. Within each list, preference shall be given to those whose designations correspond to the type of work involved, in the order in which their names appear on the list. If there are not sufficient people on "List A" whose designations correspond to the type of work involved, preference shall be given to other persons on said list in the order in which their names appear, and the same procedure shall be followed with List B, should the names on "List A" be exhausted. The dispatcher need not dispatch a person next in order if such person is, because of obvious physical incapability, unable to perform the work involved.

(e) The Employer may call for a person by name only:

(1) If the person is registered on List A in the Hiring Hall in the area in which such person is to be employed; and

(2) If the person has previously been employed by the Employer; and

(3) If the person is available for work.

SECTION 4 – REFERRAL

For each person dispatched, the Local Hiring Hall shall send to the Employer, with the person or by mail, a written referral slip. The Employer shall have the right to reject any job applicant referred by the Local Hiring Hall, provided that the Employer shall in no way discriminate against persons because of Union membership or activities.

SECTION 5 – NOTIFICATION

(a) Casual Employees: For casual employees who work on a day to day basis, the Local Hiring Hall shall immediately supply such help to the Employer upon notice by the Employer that such casual em-

ployees are needed. In the event such casual help is not immediately available or the Local Hiring Hall is closed, the Employer may then hire such casual workers from any other available source.

The Employer shall hire all casual or extra help in accordance with the terms of the hiring procedure outlined in the Local Union territorial jurisdiction where the work is performed. However, where there is heavy demand for casual or extra helpers in areas where loading and unloading is done, such casual or extra helpers may be permanently assigned to such areas.

(b) Regular Employees: If the Local Hiring Hall is unable to furnish qualified regular employees within forty-eight (48) hours after the Employer calls for them, the Employer shall be able to procure such employees from any other source. In such event the Employer shall, within twenty-four (24) hours of the time of hiring notify in writing the Local Union maintaining the Hiring Hall in that area of the name, address, social security number, and place of last employment of any employee so hired.

SECTION 6 – HIRING HALL COMMITTEE

There shall be established a Hiring Hall Committee, composed of three (3) Union representatives and three (3) Employer representatives, which shall have the power to make and promulgate rules and regulations for the operation of Hiring Halls which are not inconsistent with the terms of this Agreement including rules or procedures for its own operation.

SECTION 7 – APPEAL AND ARBITRATION

Any disputes between the Union and the Employer with regard to the operation of the Hiring Hall shall be referred to the Hiring Hall Committee for settlement, and if the Committee is unable to agree, they may be referred by either party to an impartial umpire. Any person, who believes they have not been referred in accordance with the provisions of this Agreement or with the rules and regulations of the Hiring Hall Committee, may appeal to that Committee and the Committee may, by majority vote, reverse any decision of the Local Hiring Hall with respect to referral. If a person appeals to

the Committee and the Committee does not reverse the decision of the Local Hiring Hall, or if a person, who has been disqualified from preference by failing an examination, believes that the examination was administered unfairly, or in a discriminatory manner, such person may appeal to an impartial umpire selected jointly by the Committee and said person. If the Committee and the individual are unable to agree on the identity of an impartial umpire, an umpire shall be selected by the Mediation and Conciliation Service of the State of California from among those persons who have had special experience in labor arbitrations. The cost of such umpire, and of the hearings, shall be borne by the Union and/or the individual, in the discretion of the umpire. The umpire's decision shall be final and binding upon all parties.

SECTION 8 – POSTING

The foregoing provisions, together with any rules or regulations promulgated by the Hiring Hall Committee, shall be posted by the Employer and by the Union in all places where notices to employees and applicants for employment are customarily posted, including the bulletin board of the Union.

ARTICLE 3 – SENIORITY AND LAYOFFS

SECTION 1 – PROBATIONARY PERIOD/ TRIAL PERIOD

(a) Employees transferring from part-time to full-time who are attempting to qualify as a package car driver shall have a thirty (30) working day trial period to qualify and may have up to an additional ten (10) working days at the beginning of his/her trial period, which may result in a total trial period of up to forty (40) working days, provided that all such additional time is spent in classroom training.

A new part-time employee shall attain seniority when he/she has worked seventy (70) days within a six (6) consecutive month period. Prior to attaining seniority, as defined in this Section, the employee shall be considered a probationary employee and may be discharged without such discharge being subject to the grievance procedure.

However, the employer shall not discharge or otherwise discipline a probationary employee for purposes of evading this provision or discrimination against Union members. Upon completion of the probationary period, the employee shall be given a seniority date as of his/her first day worked within a six (6) month period.

(b) Seniority order for all purposes for employees with common hiring dates shall be determined by the drawing of lots. Such drawing shall be made in the presence of a Union representative and an Employer representative.

SECTION 2 – APPLICATION OF SENIORITY

Each Hub Sort or Delivery Center shall post a separate part-time seniority list. Where more than one (1) Hub Sort or Delivery Center is operating within a United Parcel Service building, seniority for all part-time employees by Local Union will be integrated only for the purpose of layoff and rehire and for eligibility to qualify for higher straight-time hourly rate jobs.

In the reduction of forces due to the slackness of work, the last employee hired shall be the first (1st) employee laid off, and in re-hiring, the last employee laid off shall be the first (1st) employee rehired until the list of former employees is exhausted.

Seniority shall be considered broken by:

- (a) Discharge for just cause;
- (b) Resignation;
- (c) Twenty-four (24) consecutive months of unemployment; thirty-six (36) consecutive months of unemployment for employees with three (3) or more years of service; or
- (d) Failure to comply with the seventy-two (72) hour recall notice as set forth in Section 4 of this Article.

Leaves of absence granted by the Employer, and temporary layoffs, shall not interrupt the continuity of seniority.

SECTION 3 – NOTICE OF LAYOFF

All employees are to be given notice posted in designated location which the Labor Manager and the Union will mutually decide, for the assignments of the work week, start times and impending layoffs not later than the beginning of the last shift worked prior to the commencement of such layoffs. It is the responsibility of the employer to notify by phone, any affected employees that are not working the day of the posting. All phone calls will be verified by a shop steward of the Local Union and a log be maintained. It is the responsibility of the employee to insure his/her contact information is accurate. The Union will be provided a copy of the layoff notices by fax or by email on the same day they are posted. The above notice of layoff shall not apply during any emergency beyond the Employer's control, provided notification is given to the employee at least one (1) hour prior to the start of the employee's shift.

SECTION 4 – REHIRE PROCEDURE

Employees on the first (1st) day of any layoff shall report to the Local Hiring Hall not later than 7:30 a.m. the following morning and shall be dispatched to the Employer if the Employer requires additional help on that day. Failure of such employees to be dispatched to the Employer (if additional help is required) because said employees were not available at the Local Hiring Hall shall relieve the Employer of any liability for pay of those employees who do not work on that day, providing the Employer calls such employees in the order of their seniority.

Where the Local Union does not maintain a Hiring Hall, employees laid off for one (1) day shall report directly to the Employer by phone or in person within one and one-half (1 1/2) hours of, but not later than thirty (30) minutes of the time their regular shift would begin for such work that might be available that day. Failure to so report shall relieve the Employer of any liability for pay for those employees who do not work that day, providing the Employer works such employees who so reported in the order of their seniority.

The Employer shall not lay off any employee under this Article unless the Employer has evidence that no work shall be available for such employees the following workday.

In the event of a lay off in excess of one (1) day, an employee so laid off shall be restored to regular duty according to seniority; provided the employee reports to the call of the Employer, which shall be communicated to the employee at their last known address as filed with the Employer, by certified mail and to the Local Union by certified mail, and reports for duty within seventy-two (72) hours, exclusive of Saturdays, Sundays, or holidays, from the time of the dispatch of such call. If the employee fails to respond as set forth above, the Employer shall advise the employee by certified mail, with a copy to the Local Union, that the employee's failure to report for duty has removed said employee from the seniority list, thus terminating employment with United Parcel Service. The giving of said call shall fulfill the obligation of the Employer under the provisions of this Agreement. All unanswered phone calls to laid-off employees shall be verified by a person designated by the Local Union whenever practical.

A committee named by the parties will establish more precise definitions under this Section to describe current practices and application thereof.

SECTION 5 – FILLING HIGHER PAID POSITIONS

In filling higher paid positions under this Agreement, employees working in other classifications under the jurisdiction of this Agreement shall be given reasonable trial up to thirty (30) days on the basis of seniority to demonstrate their ability in which to qualify for such positions. All testing and qualifying to be done on an equally scheduled and reasonable basis on company time, except for road tests taken at the employee's regular assigned location by part-time employee's applying for full-time positions.

Employees qualifying for package car positions shall receive a weekly accounting of their performance. This accounting shall be in written form in the presence of a Shop Steward.

(a) **Integrated Seniority:** In the event of the sale, transfer, or merger of companies, one (1) or both of which are parties to this Agreement, the employees of the company or companies party to this Agreement will establish seniority in the new operation by integration based

upon the original date of hire recognized by the last employer. Such integration is to apply where the company operations or terminals involved in the sale, transfer, or merger are entirely within the territorial jurisdiction of one (1) Local Union covered by this Agreement.

SECTION 6 – CLOSED OR PARTIALLY CLOSED CENTERS OR HUBS

Whenever a center or hub is closed or partially closed, the employees affected will be entitled to follow the work and their seniority will be dovetailed in the new location. In the event the employees affected elect not to follow the work, it shall be offered to the other employees at the center or hub in seniority order. In the event no employee elected to follow the work and it becomes necessary to reduce the working force, the provisions of Article 3, Section 2-Application of Seniority, shall apply. In the event of closing or partially closing any hub or operating center, the Employer shall notify the Union of its intent and post the amount and type of positions affected and the date of such contemplated action at least thirty (30) days in advance.

(a) Transfers: In cases of proven need it is agreed by the Employer and the Local Union involved, that an employee shall be permitted to transfer from one (1) company facility to another, provided said employee has a Transfer Request Form on file stating his/her desired facility into which they wish to transfer. Any such transfer shall take place only within the area covered by the Northern California Supplemental Agreement and only prior to hiring from the outside. Any such transfers shall be limited to four two (2) part-time employees, per year per destination facility. Such employees shall retain company seniority for the purpose of fringe benefits but shall be placed at the bottom of the appropriate seniority list. It is the employee's responsibility to verify all benefits at the requested transfer location. Benefits may vary by state and location. The medical, dental, vision, retiree medical coverage and pension rates may be less or non-existent in the location you desire. Contact the Local Union having jurisdiction over the area you wish to transfer to for all information pertaining to the area benefits.

(b) Election of shift transfer: Qualified part-time employees with six (6) months or more seniority may bid permanent vacancies and

new permanent jobs on a different shift in all months except October, November and December.

Up to twenty five percent (25%) of the employees of a given Sort shall be allowed to bid shifts in any calendar year. An employee electing to bid shift shall remain on such shift for at least six (6) months.

For layoffs in excess of one (1) day, seniority on separate shifts will be integrated for the purpose of layoff and rehire.

SECTION 7 – JOB SENIORITY IN REASSIGNMENT

Once an employee has established seniority in a classification and is reassigned to a lower paid classification, such employee shall continue to be compensated at the higher wage scale if job seniority is not observed in the reassignment. However, when employees at their own request are placed in a lower paid classification, they shall be paid at the rate of pay of the lower classification.

SECTION 8 – SENIORITY LIST

The Employer shall post and maintain a current seniority list at all times in a conspicuous place at each operating center. Said list shall be considered to be correct as posted unless a protest is registered with the Employer and the Union within thirty (30) days from date of posting. At the time of posting, a copy will be faxed, mailed or emailed to the Local Union. These lists will include a Master part-time, list of hub and all shifts. The Company will provide a copy of these lists every six (6) months.

SECTION 9 – LOCATION SENIORITY

All seniority provided for above shall be based on the length of service of the employees at the location involved. Location seniority shall not affect an employee's seniority with the Company for the purpose of fringe benefits.

Where more than one (1) operating center is located within a United Parcel Service building, seniority for all employees will be integrated for the purpose of layoff and rehiring and for eligibility to qualify for higher straight time hourly rate jobs.

SECTION 10 – SENIORITY AND JOB ASSIGNMENTS

All preferred and higher straight-time hourly rate jobs shall be offered to all employees in seniority order. The bidding practice in each area will be maintained. The Local Union will be provided copies of all bids and a list of successful bid winner(s).

The opening shall be posted for five (5) working days, including the rate of pay. Employees shall receive the higher rate of pay during the qualifying period, which shall be no more than thirty (30) working days. Once having accepted a bid position, an employee may not request a change until such employee has remained in the position for a period of six (6) months, except to exercise seniority to qualify for a higher paid position.

Employees on approved leave shall not be deprived of their seniority selection rights.

The successful selector shall be assigned within five (5) days of the completion of the selection process.

of employment opportunities because of race, color, religion, sex, national origin, or age.

SECTION 2 – UNION ACTIVITIES

Any employee member of the Union acting in any official capacity whatsoever shall not be discriminated against for his acts as such officer of the Union, so long as such acts do not interfere with the conduct of the Employer's business, nor shall there be any discrimination against any employee because of union membership or activities.

It shall not be a violation of this Agreement and it shall not be cause for discharge or disciplinary action in the event an employee refuses to enter upon any property involved in a primary labor dispute, or refuses to go through or work behind any primary picket line, including the primary picket line of unions party to the Agreement, and including primary picket lines at the Employer's place of business, provided picket line is sanctioned by Joint Council No. 7.

SECTION 2 – STRUCK GOODS

It shall not be a violation of this Agreement and it shall not be cause for discharge or disciplinary action if any employee refuses to perform any service which his Employer undertakes to perform as an ally of an Employer or person whose employees are on strike and which service, but for such strikes would be performed by the employees of the Employer or person on strike.

ARTICLE 7 – GRIEVANCE PROCEDURE

SECTION 1 – INITIAL HANDLING & TIME LIMITATIONS

(a) Initial handling: Any grievance or controversy affecting the mutual relations of the Employer and the Union shall first be taken up between the Local Union and the Employer. If, after thorough discussion between the parties, the matter is not resolved within five (5) days, exclusive of Saturdays, Sundays and holidays, after first being taken up, it shall be reduced to writing by the grieving party, copies shall be sent to the other party, and the case shall be referred to the United Parcel Service Labor-Management Committee and put on the agenda for its next regular meeting.

(b) Time Limitation: (Except as provided in Article 7, Section 4), all grievances, claims and disputes shall be submitted to the Labor-Management Committee within forty-five (45) days of the occurrence of the matter upon which the grievance, claim, or dispute is based. Any such grievance, claim, or dispute not submitted within such time shall be waived unless the joint Committee by majority vote for good cause accepts such submission, or unless either party has intentionally concealed the facts upon which the grievance, claim, or dispute is based. To expedite the equitable resolution of grievances, the Company agrees to make available for inspection, within five (5) days, all pertinent information when a request, in writing, is made by the Local Union.

SECTION 2 – TEAMSTERS/UNITED PARCEL SERVICE LABOR MANAGEMENT COMMITTEE

(a) There shall be a Teamsters/United Parcel Service Labor-Management Committee composed of three (3) representatives of the

Union and there shall be three (3) representatives of the Employer. None of these representatives shall be involved in the dispute.

The Committee shall formulate such rules of procedure as it may deem advisable and such rules of procedure will be made known to all parties under this Agreement.

Regular meetings of the Committee shall be held on the agreed upon day of each month to pass upon matters referred to it. If no cases are on the agenda, meetings may be canceled. If grievances develop which require more immediate action, the Committee may meet on any other date which may be agreed upon. The Committee shall be obligated to remain in session until the agenda is completed.

If the Employer fails to appear at the designated time and place of the hearing, such failure shall result in default decision against the Employer for cases which are on the agenda for that date. Default decisions against the Union involved shall likewise apply if a representative of the Union involved fails to appear.

A majority decision of the Committee shall be final and binding upon the parties. Any discharge or suspension case deadlocked by this Committee may be submitted to an impartial arbitrator by either the Employer or the Union. All other deadlocked cases shall be referred to a Western Region-UPS Committee as outlined in Section 2(b).

(b) The Western Region-UPS Committee shall be composed of three (3) representatives of the Union one (1) of whom shall be appointed by the Western Region Director, one (1) of whom shall be the negotiating Committee Chairman for the appropriate contract grieved, and one (1) shall be appointed by the Union Chairman, and three (3) representatives of the Employer, one (1) of whom shall be the Regional Labor Relations Manager, or his designee, and the other two (2) representatives designated by the Employer. Any case deadlocked by this Committee may be submitted to arbitration by either the Employer or the Union.

The cost of the arbitration shall be borne jointly by the Employer and the Union, except for those individual expenses which the Union, or the Employer, may incur for the purpose of putting on their case.

SECTION 4 – HANDLING OF DISCHARGES OR SUSPENSIONS

Any case pertaining to a discharge or suspension shall be handled as follows:

(a) In discharge or suspension cases, the Company shall not proceed with any interrogation unless the employee being interrogated is provided with Union representation from his/her Local Union unless specifically waived by the employee, in writing, with a copy to the Union.

(b) In all cases, except theft, intoxication, use, sale, or possession of illegal narcotics and gross insubordination, each having occurred on the job, an employee to be discharged shall be allowed to remain on the job, without loss of pay, unless and until the discharge is sustained under the grievance procedure. In suspension cases, the employee shall be allowed to remain on the job, without loss of pay, unless and until the suspension is sustained under the grievance procedure. Notwithstanding the above, an employee who tests positive as a result of a DOT periodic test (in accordance with the National Master United Parcel Service Agreement for controlled substances) shall be offered an unpaid leave of absence for a drug rehabilitation program. If the employee refuses to participate in a drug rehabilitation program or fails to complete it satisfactorily, he/she shall be subject to disciplinary action. An employee shall have the right to return to work after satisfactorily completing the drug rehabilitation and aftercare program under the same guidelines as described.

(c) Within five (5) days of the occurrence of the alleged cause for discharge or suspension, the Employer shall give written notice by certified mail to the employee and to the Local Union of its decision

to discharge or suspend the employee and such notice shall set forth the reason or reasons for the discharge or suspension. If the Employer fails to give such written notice within the specified five (5) day period, the right to discharge or suspend for that particular reason shall be waived. But this shall not preclude the Employer from introducing as evidence, should a subsequent discharge or suspension occur, any reason or reasons to substantiate unsatisfactory work performance arising out of circumstances which occurred during the nine (9) month period immediately preceding the date of discharge or suspension notice. However, in order for any such reason to be introduced by the Employer, the Employer must have given specific written notice by certified mail to the employee and to the Local Union of the circumstances giving rise to such reason within ten (10) days of the occurrences of the circumstances. Such written notice may not be submitted for consideration by the Labor-Management Committee except in cases in which the Employer has given the employee a notice of discharge or suspension and such notice shall not be subject to economic action by either the Union or the Employer. If the Local Union does not file with the joint secretaries of the Committee a written protest of the Employer's action within five (5) days, excluding Saturdays, Sundays and holidays from the time of receipt of the Employer's notice, the right to protest such discharge or suspension shall be waived.

(d) Should the Local Union file protest of the intended discharge or suspension within the time period set forth in subsection (c), then the case shall automatically be placed on the agenda of the Committee described in Section 2 above. Discharge and suspension cases referred to the Committee will be placed first (1st) on the agenda of the Committee provided that the Committee shall not hear the case until the five (5) days specified in subsection (c) have elapsed.

(e) If the Committee reaches a deadlock, either party may submit the matter to an impartial arbitrator for final decision. The selection of the arbitrator for a decision in discharge or suspension cases shall be made immediately upon such deadlock, and the arbitrator so selected shall hear the case in not more than ten (10) days, excluding Saturdays, Sundays, and holidays, from the date of the deadlock and render his decision in not more than ten (10) days from date of hearing of the case, excluding Saturdays, Sundays and

holidays. The method of selection of the arbitrator shall be made as provided in Section 5.

SECTION 5 – SELECTION OF AN IMPARTIAL ARBITRATOR

The parties shall choose an impartial arbitrator and the decision of the impartial arbitrator shall be final and binding on both parties. Said impartial arbitrator shall be selected from an agreed upon list mutually selected by the parties.

The Arbitrators mutually agreed to are:

3. Brogen, Margaret
4. Durick, Michael
5. Kagel, John
6. Prihar, Guy
7. Winograd, Barry
8. Hayford, Stephen
9. Brustein, Mark

If any of the above becomes unavailable, the replacement shall be mutually agreed on within forty-five (45) days of knowledge.

After a toss of a coin to decide which party shall move first, the representative of the Employer and the representative of the Union shall alternately strike one (1) name from the list until one (1) name remains and such person shall be the arbitrator for the case. The last name stricken shall be the alternate arbitrator to serve in the event the first (1st) arbitrator is not available. This procedure shall be followed until there is an available arbitrator. It is understood that the time limits referred above may be waived by mutual agreement of the parties.

SECTION 6 – ARBITRATORS AUTHORITY

The arbitration proceedings shall be governed by the following provisions:

- (a) No briefs shall be submitted by the parties except if mutually agreed to:
- (b) The arbitrator shall not render an expanded opinion in any case unless mutually requested by the Employer and the Union;

SECTION 7 – GRIEVANCE SETTLEMENTS

All monetary grievance decisions or settlements shall be submitted by separate check payable to the grievant or grievants and a copy of same sent to the Local Union for the records. Such settlements shall be paid within five (5) days of the settlement. If the Employer fails to make the payment available on the employee's fifth (5th) scheduled workday, the employee will be paid an additional amount equal to one-half (1/2) of his/her daily guarantee at his/her regular hourly rate for every full pay period in which the shortage is not paid after the fifth (5th) scheduled work day, until corrected.

ARTICLE 8 – LEAVE OF ABSENCE

SECTION 1 – APPROVED LEAVE

Any employee desiring a leave of absence shall secure written permission from both the Local Union and the Employer. Except as otherwise provided in this Article, the maximum leave of absence shall be for ninety (90) days and may be extended for like periods. Written permission for such extended periods shall be secured from both the Union and the Employer. The first (1st) approved leave of absence plus approved extended leaves of absence shall not exceed a maximum time period of twelve (12) months. During an approved leave of absence, the employee shall not engage in gainful employment in the same industry. Leaves of ten (10) days or less do not require Union approval. Disputes concerning request for leaves of absence are subject to the grievance procedure.

Any employee who is unable to work because of sickness or injury shall be deemed to be on leave of absence. Such leave will not ex-

ceed three (3) years unless extended by written consent of the Union and the Employer. In the absence of such consent, a request for extension of such leave shall be subject to dispute procedure.

A leave of absence, as provided, shall not result in the loss of seniority rights. An employee shall be granted unpaid time off in emergency situations involving illness or accident of a member of the employee's immediate family up to fifteen (15) days.

SECTION 2 – EFFECT ON VACATION/HOLIDAYS

Time off in excess of fourteen (14) days due to an approved leave of absence other than for sickness or injury shall not be accumulative for vacation purposes.

SECTION 3 – HEALTH & WELFARE AND PENSION WHEN ON LEAVE

The employee may, if the employee desires to continue coverage, make suitable arrangements for continuance of health and welfare payments consistent with the health and welfare policy before the leave is approved by both the Union and the Employer. For employees on leave due to a non-job connected illness or injury, health and welfare payments shall be borne by the Employer up to a maximum period of six (6) months and pension payments shall be borne by the Employer for a period of six (6) months. For employees on leave due to an industrial injury, health & welfare and pension payments shall be borne by the Employer for a period of one (1) year.

It is agreed by the parties that Health and Welfare and Pension payments as provided for in this article are not predicated on "paid and/or documented" illness. The Company reserves the right to send a seventy-two (72) hour notice in case of lack of communication from the employee. Failure of the employee to respond to said notice may subject the employee to a loss of benefits under this article.

SECTION 4 – FAMILY LEAVE ACT

The Employer will comply with State and Federal laws regarding the Family Leave Act.

ARTICLE 9 – STEWARDS

The Employer recognizes the right of the Local Union to designate job stewards and alternates from the Employer's seniority list. The authority of job stewards and alternates so designated by the Local Union shall be limited to, and shall not exceed, the following duties and activities:

Job stewards and alternates have no authority to take strike action, or any other action, interrupting the Employer's business except as authorized by official action of the Local Union. The Employer recognizes these limitations upon the authorized job stewards and their alternates, and shall not hold the Union liable for any unauthorized acts. The Employer in so recognizing such limitations shall have the authority to impose proper, nondiscriminatory discipline, including discharge. However, in the event the job steward, or the designated alternate, has led, instigated, or encouraged unauthorized strike action, slowdowns, or work stoppages in violation of this Agreement, he/she may be singled out for more serious discipline, up to and including discharge.

The job steward or the designated alternate shall be permitted reasonable time to investigate, present and process grievances on the company property without interruption of the Employer's operation; and where mutually agreed to by the Local Union and Employer, off the property or other than during their regular schedule without loss of time or pay. Such time spent in handling grievances during the job steward's or the designated alternate's regular working hours shall be considered working hours in computing daily and/or weekly overtime if within the regular schedule of the job steward or the designated alternate. The Employer recognizes the employee's right to be given requested representation by a steward or the designated alternate at such time as the employee reasonably contemplates disciplinary action. The Employer also recognizes the steward's right to be given requested representation by another steward or the designated alternate at such time as the steward reasonably contemplates disciplinary action.

There shall be no limitations of time for such written notice. If the parties do not agree on a mutually satisfactory replacement within sixty (60) days after receipt of the stated written notice, either party shall be permitted all legal and economic recourse in support of its demands notwithstanding any provisions of this Agreement to the contrary.

ARTICLE 28 – WORK JURISDICTION

The Employer agrees to respect the jurisdiction rules of the Union party to this Agreement. A joint committee appointed by the parties of this Agreement shall meet and act on all matters concerning work jurisdiction. If no agreement is reached the matter shall be processed through the grievance procedure.

ARTICLE 29 – UTILITY DRIVERS

It is agreed that package operations shall hire utility drivers.

Regular part-time employees (in order of location seniority) who desire to be hired as utility drivers shall so inform the center manager. Those part-time employees who successfully meet the qualification standards for UPS drivers will be considered for the utility driving job.

These utility drivers may be used to cover absentees, overflow work, etc.

In other locations where hub work is not available, the eight (8) hour guarantee will not apply. Starting time restriction shall not apply to utility drivers.

Accordingly, the parties agree that supervisors will not perform the work of the employees they supervise except during training, demonstration, and safety education; and supervisors will not perform Union member's work until all reasonable efforts have been exhausted to have the work covered by Union employees of United Parcel Service.
